Allowable Subject Matter

Claims 1, 3-10, 12 and 15-18 are allowed.

The following is an examiner's statement of reasons for allowance: The examiner has reviewed the prior art in light of applicant's claimed invention and finds that the combined claims define over the prior art. The cited prior art does not disclose or suggest a semiconductor device inter alia the limitations "...a frame member disposed on the first side of the heating plate so as to overlap the heating plate as viewed from the first side, the frame member including an inner peripheral surface directly opposite the side of the mask substrate such that a first clearance is disposed between the inner peripheral surface and the side surface, the frame member being detachably supported by the heating plate so that the frame member is disposed around the mask substrate, and the frame member and mask substrate are disposed within the same plane that is parallel to the front surface of the heating plane...."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
